We've received multiple wires to that account this week, so I can't imagine what the problem will be. Typically parties wiring an amount that large will do a verbal confirmation first—do you know if she did?

When AT&T tried to process the settlement payments, they got some kind of error message with the account. Please call Shelly (info below) to confirm the info. Thank you.

Thanks. I received the wiring instructions from Cindy. To confirm, we should wire both payments (your firm's and Ms. Mey's) to your firm's account?

Executed agreement attached. Cindy will forward wiring instructions for our operating account via separate email.
Thanks,

The attached version has October 1. Please sign and return. And please send me instructions where to send the payments—either addresses for the checks or, preferably, wiring instructions.

Parker-

I don't know how to be any more clear. We agreed to payment by October 1, which was already a substantial runway. You have known the amount of the payment since August, and have known the specific check amounts since September 4. If you send a settlement document that is consistent with your October 1 payment obligation, we will sign it. Otherwise, we will move to enforce the agreement and obtain our fees for doing so.

Please let me know how you'd like to proceed.

Agreed and understood as to the 1099. We do not agree to modify the payment date that was previously agreed upon. If you'll send a settlement agreement consistent with the term sheet, we will execute it straightaway.

We checked with accounting: they're required to put the full settlement amount in Box 3 of Ms. Mey's 1099, and just the fee amount in Box 10 of your firm's 1099. So, I can't make that edit.

At this point, AT&T isn't able to issue the payments by October 1, but they can issue them by October 15 if we can get the final agreement signed soon. Attached is an updated version for signature. In paragraph 1, I changed the payment date, and filled in the check amounts. No other changes. Please sign and return.

Only one change; we'd like to add the following where you deem appropriate: "In the event Defendant issues Plaintiff a 1099 for the Settlement Amount, the Amount listed in Paragraph 1(a) shall be entered in box 3 of form 1099-MISC."

With that, we're prepared to execute as soon as you are.

Sorry, got pulled away on another matter, working on it.

When you get a chance, please tell me how you want the checks split, and send me the W-9s for your firm and Ms. Mey.
